

## How to Become a PACE CAR Community

**It's simple!** Residents can sign the Pace Car Pledge and proudly display the official Pace Car window cling and/or bumper sticker on their cars.

**When driving,** residents agree to drive the posted speed limit. Cars become a mobile "speed bump" and traffic is not only calmed on the street, but throughout a neighbourhood. Drivers also agree to be mindful of vulnerable road users – pedestrians and cyclists.

**Many Pace Cars calm traffic throughout a neighbourhood. The more people who participate, the better it works!**
